Company Profile

About Us

About Zelus Trading

Zelus Trading, founded in 2015 and headquartered in Durban, South Africa, is a leading importer/exporter and distributor of high-quality chemical raw materials.

The brainchild of a dynamic team of industry experts namely Debra Hall, Brett Louw and Zidane Mohamed, Zelus Trading serves a diverse range of industries, including agriculture, detergent, paint, plastics, paper, mining, and water treatment.

With exclusive distribution rights for Sub-Saharan Africa, a robust network of suppliers in Turkey, India, and China, and a commitment to quality and competitive pricing, Zelus Trading has established itself as a reliable partner in the chemical industry.

Our Team

At Zelus Trading, our team is our greatest asset. We are a close-knit group of dedicated professionals who believe in working collaboratively to achieve our goals. Our directors bring a wealth of knowledge and experience in the chemical sector and are supported by a committed team who ensure smooth operations and client satisfaction at every step.

Customised Chemical Solutions

At Zelus Trading, we understand that each client's needs are unique. Our team works closely with clients to develop customised chemical solutions that meet their specific requirements. From selecting the right raw materials to providing tailored packaging options, we ensure that our solutions align perfectly with your operational needs.

Customised Branding and Packaging

Understanding the importance of branding, we offer customised branding and packaging solutions. We ensure that our products are packaged in a manner that is both convenient for transportation and aligns with our clients' branding requirements.

Efficient Warehousing

Our private warehousing facilities in Durban and Johannesburg are equipped to handle large volumes of inventory. We stock products in advance to ensure quick and efficient distribution, helping clients avoid delays and maintain a seamless supply chain. Our rigorous quality control processes, including fumigation, ensure that products are of the highest standard before delivery.

Flexible Distribution

With a reliable network of distribution partners, Zelus Trading guarantees timely and accurate delivery of orders. Whether clients need bulk shipments or smaller, more frequent deliveries, we accommodate their needs to ensure their operations run smoothly.
